# Winter Snow & Adventure

5 days / 4 nights – Crans Montana – Verbier - Zermatt

This private escorted tour will take you to some of Switzerland's most iconic (and most charming) spots including Crans Montana, 4 Vallées (Verbier, Haute Nendaz, Thyon) Portes Du Soleil and Zermatt.

Enjoy the best panoramic views mixed with fantastic downhill in the 4 Vallées region. Explore the quiet mountain-rimmed high slopes of the Portes Du Soleil and touch the mountains on an exhilarating helicopter flight.

## DAY 1

**Arrival, welcome to Crans Montana**  
Exhilarating and unbeatable, Crans-Montana is regarded as Switzerland's best-kept secret. Enjoy your first skiing down varied and scenic terrain of predominately red runs. Wide open pistes are complemented by 65 kilometres of winter walks, outdoor ice skating, tobogganing.

## DAY 2

**Ski 4 Vallées (Verbier, Nendaz)**  
Discover the energy of one of Europe's best après ski. Verbier has climbed the ranks (and for good reason) to be one of the most chic resorts around, and there is some serious skiing here as Verbier's altitude ensures an abundance of snow.

## DAY 3

**Ski Portes du Soleil**  
A substantial powder reserve deep in the Alps. Portes du Soleil ranks amongst the largest ski areas of the

world. Ski in unspoiled surroundings and have access to 12 linked resorts either side of the French-Swiss border from Lake Geneva in Switzerland to Mont Blanc in France. Portes du Soleil offers a truly unique experience.

## DAY 4

**Ski Zermatt**  
Ascend to amazing views of the Matterhorn on a spectacular helicopter flight. As you land on top of Rothorn Mountain, be the first on the slopes by having access to untouched powered runs. Or enjoy a winter walk to Sunnegga and descend to Zermatt.

## DAY 5

**Departure**  
Morning Skiing in Crans-Montana. Departure transfer to Sierre by private limousine and rail transfer to your departing city for your early evening flight.

## Non-Ski

Escaping to the mountains doesn't necessarily mean hitting the slopes. Non-skiers can fill their days with snowshoeing, snowmobiling and so much more. Many Swiss resorts are known for their high-quality shopping displaying the season's latest designer fashions, and you'll find plentiful quality foods and exceptional wines in idyllic mountain settings.

This programme is an ideal combination to experience winter and snow with an exhilarating skiing adventure in the Valais. Operated parallel, with itineraries allowing to catch up and meet throughout the day.

*This package can be booked as described or customised to meet your requirements.*
